LAZER

HIGH PERFORMANCE LIGHTING

LINEAR-18 ELITE

Quite simply the ultimate in low profile auxiliary LED lighting for the road and passenger car market. The Linear-18 Elite provides astonishing levels of light output, optimised for everyday road use, where either space is a limiting factor in regards any installation, or the preference is for a sleek, aerodynamic solution to get noticed more at night than during the day. The Linear-18 Elite utilises a combination of 36x highly efficient 3W LEDs, the same as used in our 2018 WRC lighting solutions, which together deliver 12,150 lumens, and 1 lux to 488m.

HIGH PERFORMANCE
LED DRIVING LAMPS
